DECORATORS THAT

TAKE THE CAKE

Whether you are looking for a timeless classic or an imaginative original, our experienced cake decorators will ensure your cake is a flawless addition to your special day. Cake decorating is an art and our bakery professionals understand the importance of creating a masterpiece for you. They welcome special requests and can serve as trusted advisors to make sure your cake reflects your unique personality.

YOU'VE GOT THE

THE LOOK

Fresh flowers or fruits bring life and beauty to any wedding cake and are a popular request. Matching your wedding colors is also of the utmost importance to us.

HAVE YOUR CAKE AND

EAT IT TOO

Your wedding cake is at the center of your celebration and should taste as wonderful as it looks. We offer an incredible variety of gourmet flavors, fillings and icings to guarantee your cake is enjoyed by all.

LIFE

OF THE PARTY

Your wedding reception should be an evening of fond memories for everyone. Fortunately, our store has all the ingredients for a perfect party.

DESSERTS

AND DINING

The perfect cake is just the beginning of your ideal celebration. Eclairs, cheesecakes, rolls, croissants and many other tasty temptations are available for you and your guests.

JUST FOR THE

GROOM

A Southern tradition, the groom's cake is typically chocolate. Having a beautiful groom's cake at your reception is an opportunity to spotlight the groom on the big day. Slices of the groom's cake can be boxed as a memento of the wedding for departing guests or as dessert at a rehearsal dinner. A groom's cake also makes a stylish centerpiece for a reception table reflecting the groom's hobbies and interests.

DELI

DELIGHTS

Party platters and vegetable trays make a wonderful addition to any of your wedding-related gatherings. For a complete review of the many varieties and options, visit our deli.
